 Yarmouth, ME 04096

OEM Process Change Notification (PCN)

PCN Number: DEL20080715

Issue Date: July 15, 2008

Product ID (Description):

GPS2058-10 (DeLorme ordering code GM-205810-000)

Proposed Date of Change:

Effective date code 0821

Description of Change:

Contract Manufacturer change,
 From: Jabil Circuits Limited
 To: Universal Scientific Industrial Co, Ltd. (USI)

Manufacturer ID is differentiated on the module labels as follows:

Jabil: JDnnnnnnnn
 USI: UDnnnnnnnn

Effect of Change:

USI will use the same components and PCB, as the previous manufacturer, the only change is a new manufacturer. This change will not affect form, fit, function, quality, or reliability of the device.

USI has the following International Quality Standard certifications:
 ISO 9001:2000, TS16949, TL9000, ISO14000, OHSAS18001, IECQ QC080000

This manufacturer change has been qualified by DeLorme.
